

Grade 7 Summer Reading

Greetings Seventh Grade Students,

Ms. Gately and I hope you all have a fun and relaxing summer. We also hope that as part of your relaxation plan it includes reading at least two great books. When you return in September, you will need to bring to class the novel The Outsiders, by S.E. Hinton. You are not required to read this over the summer; however, you **MUST** bring a copy of the novel with you the first day of school.

We look forward to seeing everyone in September!

Enjoy your time off,

Ms. Gately

Mrs. DiFranco
