

## Grade 6 Summer Reading

Greetings Sixth Grade Students,

I hope you all have a fun and relaxing summer. I also hope that as part of your relaxation plan it includes reading at least two great books. When you return in September, you will complete a story board in class on one of your summer reading selections. In addition, you will need to bring to class The Tale of Despereau, by Kate Dicamillo. You are not required to read this over the summer; however, you MUST bring a copy of the novel with you the first day of school.

I look forward to seeing everyone in September!

Enjoy your time off,

Mrs. DiFranco

Below are two websites that serve as great resources for summer reading lists.

American Library Association-Young Adult Library Services Assoc.
