

**St. Raphael School
Birthday Book Program**

Dear Parents,

Honor the memory of a friend or relative, celebrate a birthday, or honor a special event in someone's life by purchasing a book for the library's collection. For a contribution of \$20.00, you can give a great gift and support the library at the same time. The Library will select the title, and will include a special book plate in each donation. Your child will be the first to borrow the book and take it home to share with family and friends. After a week your child will return the book to the library where it will be shelved in the school library for all to enjoy.

To participate, please fill in the order form below and return it with a \$20.00 donation before your child's birthday or special occasion. Through your generosity we hope to shelve the library with new books that will enhance your child's education. If you have any questions please feel free to call me @ 781-874-1155. Thank you in advance for your support.

Sincerely,

Patrice Madigan
